

Memorandum of Agreement  
on  
Summer Special Projects

It is agreed between The Richard Stockton College of New Jersey and the Stockton Federation of Teachers that

1. Supervision of special projects (independent studies and internships) during 2009 summer sessions may be compensated in two ways.
  - a. As in past years, special project credit hours will first be used to accrue toward helping a summer course reach minimum threshold for payment.
  - b. "Stand Alone" special projects, i.e. those not used for the above purpose, will be compensated using the rates set in the Memorandum of Agreement on Faculty Teaching Load of March 25, 2008 between the College and the Stockton Federation of Teachers.
  
2. This arrangement is in effect only for the summer of 2009, and will be revisited by the College and the SFT during Academic Year 2009-2010.

IN WITNESS THEREOF, the College and the Stockton Federation of Teachers have caused this Memorandum of Agreement to be executed this \_\_\_\_\_ day of \_\_\_\_\_, 2008.
